

Privacy Policy

This Privacy Policy describes how MSCHF (“we”, “our” or “us”) collects, uses and discloses information, and what choices you have with respect to the information in connection with your use of <https://thewordoftheday.is/> (the “Site”) and the associated Slack channel, features, content or applications we offer (collectively, the “Services”). We receive information about you from various sources, including without limitation: (i) if you sign up for the Services, through your user account (your “Account”); (ii) your use of the Services generally; and (iii) from third party websites and services. When you use the Services, you are consenting to the collection, transfer, manipulation, storage, disclosure and other uses of your information as described in this Privacy Policy.

What Does This Privacy Policy Cover?

This Privacy Policy covers the treatment of personally identifiable information (“Personal Information”) gathered when you are using or accessing the Services. This Privacy Policy also covers our treatment of any Personal Information that our business partners share with us or that we share with our business partners.

This Privacy Policy does not apply to the practices of third parties that we do not own or control, including but not limited to any third party websites, services and applications (e.g. Slack, Twitter, Facebook, Instagram, etc.) (each a “Third Party Service”) that you elect to access through the Service or to individuals that we do not manage or employ. While we attempt to facilitate access only to those Third Party Services that share our respect for your privacy, we cannot take responsibility for the content or privacy policies of those Third Party Services. We encourage you to carefully review the privacy policies of any Third Party Services you access.

What Information Do We Collect?

The information we gather enables us to personalize, improve and continue to operate the Services. In connection with certain aspects of the Services, we may request, collect and/or display some of your Personal Information. We collect the following types of information from our users.

Account Information:

If you create an account on the Services (“Account”), you may be required to provide information that could be Personal Information, such as your name, phone number and email address. You acknowledge that this information may be personal to you, and by creating an Account and providing Personal Information to us, you allow others, including us, to identify you and therefore may not be anonymous. We may use your contact information to send you information about our Services. You may unsubscribe from some of these messages by emailing us at hi@msCHF.xyz, although we, regardless, reserve the right to contact you when we believe it is necessary, such as for account recovery purposes.

User Content:

Some features of the Services allow you to provide content to the Services, such as text, images and video clips. All content submitted by you to the Services may be retained by us indefinitely, even after you terminate your Account. We may continue to disclose such content to third parties in a manner that does not reveal Personal Information, as described in this Privacy Policy.

Email, Text, and Push Notification Communications:

We may communicate with you via push notification, email, SMS, MMS or other text message (“Message”) (to the extent you permit us to do so), and we may collect information regarding such communications, such as confirmation when you open an email, read a Message or receive a push notification. We use this information to improve our Services, including without limitation our customer service.

Aggregate Information:

We collect statistical information about how both unregistered and registered users, collectively, use the Services (“Aggregate Information”). Some of this information is derived from Personal Information. This statistical information is not Personal Information and cannot be tied back to you, your Account or your web browser.

How, and With Whom, Is My Information Shared?

Public Information About Your Activity on the Services:

Some of your activity on and through the Services is public. This may include, but is not limited to, content you have posted publicly on, through or in connection with the Services, including without limitation on public portions of Third Party Services, such as Slack.

Unregistered users will not have this association, but information concerning their use of the Services (such as what pages they have visited) may be tracked anonymously through the use of cookies and stored by us.

Please remember that if you choose to provide Personal Information using certain public features of the Services, then that information is governed by the privacy settings of those particular features and may be publicly available. Individuals reading such information may use or disclose it to other individuals or entities without our control and without your knowledge, and search engines may index that information. We therefore urge you to think carefully about including any specific information you may deem private in content that you create or information that you submit through the Services.

We do at times share this information with our partners, service providers and other persons with whom we conduct business, and as otherwise specified in this Privacy Policy.

Information You Elect to Share:

You may access other Third Party Services through the Services, for example by clicking on links to those Third Party Services from within our Services. We are not responsible for the privacy policies and/or practices of these Third Party Services, and you are responsible for reading and understanding those Third Party Services' privacy policies. This Privacy Policy only governs information collected on the Services.

Aggregate and Non-Personally Identifiable Information:

We share Aggregate Information with our partners, service providers and other persons with whom we conduct business ("Business Partners"). We may also share information with our Business Partners that is (i) not Personal Information or (ii) derived from Personal Information but has been anonymized so that it is no longer personally identifiable (collectively with Aggregate Information, "Non-Personal Information"). We use and share this type of data so that we and our Business Partners can understand how and how often people use our and their services or websites, which facilitates improving our Services, their services and how our Services interface with their services. In addition, these Business Partners may share with us non-private, aggregated or otherwise non Personal Information about you that they have independently developed or acquired.

Email and SMS Communications with Us:

As part of the Services, you may occasionally receive email from us and push notification, SMS text and other communications from Slack, such as communications relating to your Account.

User Profile Information:

User profile information including your username and other information you enter may be displayed to other users to facilitate user interaction within the Services. We will not directly reveal user email addresses to other users.

Information Disclosed Pursuant to Business Transfers:

In some cases, we may choose to buy or sell assets. In these types of transactions, user information is typically one of the transferred business assets. Moreover, if we, or substantially all of our assets, were acquired, or if we go out of business or enter bankruptcy, user information would be one of the assets that is transferred or acquired by a third party. You acknowledge that such transfers may occur, and that any acquirer of us or our assets may continue to use your Personal Information as set forth in this policy.

Information Disclosed for Our Protection and the Protection of Others:

We also reserve the right to access, read, preserve, and disclose any information as we reasonably believe is necessary to (i) satisfy any applicable law, regulation, legal process or governmental request; (ii) enforce this Privacy Policy and our Terms of Service, including investigation of potential violations hereof; (iii) detect, prevent, or otherwise address fraud, security or technical issues; (iv) respond to user support requests or (v) protect our rights, property or safety, our users and the public. This includes exchanging information with other companies and organizations for fraud protection and spam/malware prevention.

Information We Share With Your Consent:

Except as set forth above, you will be notified when your Personal Information may be shared with third parties, and will be able to prevent the sharing of this information.

Is Information About Me Secure?

We seek to protect Account information to ensure that it is kept private; however, we cannot guarantee the security of any Account information. We store all of our information, including your IP address and device information, using industry-standard techniques. We do not guarantee or warrant that such techniques will prevent unauthorized access to information about you that we store, Personal Information or otherwise. Unauthorized entry or use, hardware or software failure, and other factors, may compromise the security of user information at any time. Additionally, you are responsible for preventing unauthorized access to your Account and Personal Information by protecting your Account credentials and limiting access to Service Device (as defined in the Terms of Service).

What Information of Mine Can I Access?

If you are a registered user, you can access information associated with your Account by contacting us at hi@mschf.xyz. Registered and unregistered users can access and delete cookies through their web browser settings.

California Privacy Rights: Under California Civil Code sections 1798.83-1798.84, California residents are entitled to ask us for a notice identifying the categories of personal customer information which we share with our affiliates and/or third parties for marketing purposes, and providing contact information for such affiliates and/or third parties. If you are a California resident and would like a copy of this notice, please submit a written request to the following address: Intermedia Labs, Inc., 138 Spring Street, New York, New York 10012.

How Can I Delete My Account?

Should you ever decide to delete your Account, you may do so through Slack, by withdrawing from the Site's channel or by emailing hi@mschf.xyz. If you terminate your Account, any association between your Account and information we store will no longer be accessible through your Account. However, any public activity on your Account prior to deletion will remain stored on our servers and will remain accessible to the public.

What Choices Do I Have Regarding My Information?

- You can use some of the features of the Services without registering, thereby limiting the type of information that we collect.
- You can always opt not to disclose certain information to us, but please note that certain information may be needed to take advantage of some of our features.
- You can delete your Account. Please note that we will need to verify that you have the authority to delete the Account, and activity generated prior to deletion will remain stored by us and may be publicly accessible.

- You can choose to opt out of certain communications or communication methods; however, if you do so, you may not be able to take advantage of some of our Services' best features.

What Happens When There Are Changes to this Privacy Policy?

We may amend this Privacy Policy from time to time. Use of information we collect now is subject to the Privacy Policy in effect at the time such information is collected. If we make changes in the way we collect or use information, we will notify you by posting an announcement on the Services or sending you an email. A user is bound by any changes to the Privacy Policy when he or she uses the Services after such changes have been first posted.

What If I Have Questions or Concerns?

If you have any questions or concerns regarding privacy using the Services, please send us a detailed message to hi@mschf.xyz. We will make every effort to resolve your concerns.

Effective Date: April 24, 2019
